EXPERIENCE

> **Philanthrolab**, Dallas, Texas — Digital Strategist

MARCH 2019 - PRESENT

Philanthrolab is Software Products and Services Company, headquartered in the USA providing software, design and ICT solutions.

I develop solutions to meet clients' brand objectives based on consumer insight and data. I formulate the implementation of strategies. I also lead technical documentation across other startups owned by Philanthrolab.

> **Open Source Community Africa**, Lagos, Nigeria — Technical Writer/Chapter Lead

FEBRUARY 2019 - PRESENT

Open Source Community Africa is a community of creative minds driving the open source movement in Africa.

I volunteer as a technical writer and lead a chapter: OSCALokoja.

> **GiTech Consults**, Lokoja, Nigeria — Front-end Developer

JANUARY 2019 - MARCH 2019

GiTech is a leading software development firm in Nigeria providing our clients with the ICT solutions needed to meet their everyday needs in the 21st century.

I worked as a freelancer, building and designing brilliant user interfaces and web applications.
